# **MEETING ALERT !!!!!**

**July 16<sup>th</sup>, 2012 – 7PM, Club Meeting at Spring Creek BBQ on Hwy 191 in Lake Worth**

Nominations for Club Officers will take place so please attend if you would be interested in filling one of our open Club Officer positions. This is the meeting when all nomination will be placed so that Club Elections will be held at our August Meeting.

## **REMINDER ABOUT ITEMS NOT ALLOWED ON THE CLUB PROPERTY!!!!**

It has been brought to the club's attention that some of the 3D targets on the 3D practice range show signs of being shot with broadheads. This is just a reminder to make sure everyone knows that Broadheads, as well as alcohol and firearms are not permitted on the property. This is in the Club Rules and violation of these rules can result in suspension or termination of membership. These rules have to do with our conditions of the lease with the city and our insurance carriers, so please work with us to ensure that everyone understands the reason for the rules and why we must all adhere to them. If we were to have an incident, it is very likely we would lose our insurance, lease or both.

Thank you for your understanding.

# 3D PRACTICE RANGE IS ON THE MOVE !!!!

## Work Party Scheduled for July 28<sup>th</sup>, 2012

On July 28<sup>th</sup>, 2012, we will be having a work party to move the 3D practice range to a new location on the edge of the woods [see map below]. At the club meeting on June 18<sup>th</sup>, the club discussed this and other options for the 3D practice range as a number of members requested it be moved to a place with more shade. After looking at all of our options and a good discussion on the various options, a motion was made to move it to the below proposed location.

We are confident we will be able to have 8-10 lanes facing into the woods, and will be sure to have the targets set in a manner that any arrant arrows can be located without having to get into the thick stuff. Once completed, this will be the permanent location for the 3D practice range so we will need volunteers to help maintain the lanes and necessary mowing to ensure that all members can access and enjoy this course. Due to the direction of shooting, during all tournaments, the 3D practice range will need to be closed to ensure the safety of all officers, but will re-open as soon as the shoot is over and broke down.

We look forward to seeing as many who can offer the time and energy to set this 3D practice course up on July 28<sup>th</sup>.
