CHAMPION SPOTLIGHT

This year's Cowtown Club Champion is none other than Todd Pool. He also claimed victory this year as the ASA Open Class Shooter of the Year. Todd is a past president and an amazing asset to the club. He is also a force to be reckoned with when shooting against him.

Congrats to you Todd for an astounding year and thank you for being part of our archery family.

FIELD ARCHERY @ COWTOWN

For some time now, the board of Directors and Club Officers have been working to try to get a Field Archery range back to Cowtown Bowmen. We used to have one when we were at the old location and see it is an avenue for more shoots and more archers to be drawn to our wonderful club and facility.

With the recent election of Chris Hansen, a top TFAA Shooter in Field Archery, to the Club Position of Field Archery Director as well as the addition of past National Champion Rhonda Wall as a Range Captain, Cowtown is set and primed to have one of the best 14 target ranges in the state.

Please keep an eye out for postings on the Facebook page and emails for Work Party dates to help get the work done and the range set. We appreciate everyone help and enthusiasm to make this a reality for our club.

ARE YOU A MEMBER OF NFAA?

If you are already a member of the National Field Archery Association, Please contact Chris Hansen @ fita1440@yahoo.com.

Chris is our new Field Archery director and he would need to find out how many of our members are also NFAA members.

VOLUNTEERS NEEDED!!!

Cowtown Bowmen needs your help. Now more than ever is the time to get involved in the club. At our September meeting, we will appoint Club Officers and Directors to chair the budget committees tasked with coming up with proposals for the club 2014 budget. We will ask any member that is interested in being a part of this to volunteer for a committee so that your input can guide how the club allots funds for next year. There will be committees for Range Maint. and improvements, Field Archery, Tournament Awards, Club Shoot format and awards, and anything else we can think of that will need the clubs attention. Please do not hesitate to join in the discussion, as this allows the club to have more ideas. Sometimes it is that one out of the box idea that can bring it all together. It is your club, so please be involved.
