

Cowtown Bowmen Archery Club

Cowtown Cowpatty

November 2013

Congrats to Cowtown Member Dave Porter on his successful Hog Hunt.

300lb Sow harvested with PSE Bow, Gold Tip Arrows topped off with Muzzy Broadheads.

Great job Dave. 😊

**Field Archery course has been approved –
Construction beginning soon.**

At the Club Meeting on Oct 21st, the board, officers and members present approved the proposed layout for the Field Archery course at Cowtown. Construction will begin soon, so please keep an eye out for volunteer emails, facebook posts and newsletter announcements, and help out if you can.

It is going to take some work, but with our faithful members efforts, we will definitely put Cowtown back on the map as a must stop club for Field Archery.

Thank you to Chris Hansen for heading up this task this year for Cowtown as our Field Archery Director. We look forward to great things for the club in 2014.

Board Member Resignation, Change in posts notification

It is with great sadness that I must inform the members of Cowtown Bowmen that Gene Bohannon, our club Vice President, is having to make the hard decision to step down from his officer's position due to family and work related conflicts. Gene still plans to be a part of our archery family, it is just that with everything he has going on right now, he needs to withdraw from his post.

Upon his departing the board, Gene recommended Roper Wall to fill his vacated position and last night at the monthly meeting, Roper was confirmed by the board and members in attendance. Rhonda Wall will be stepping up to fill Roper's vacated position of Event's Chairperson, also confirmed at last night's meeting.

If you have any questions, concerns or comments, please do not hesitate to contact me immediately.

Thank you,

Chuck Hubbard
