## ROAD CLOSURES ON SILVER CREEK RD EFFECTING COWTOWN BOWMEN ARCHERY CLUB

We have been made aware that Silver Creek Rd, between the club and Loop 820 will be having some major constriction beginning this November, which will result in the road being closed to thru traffic for 6 months to rebuild two bridges along that route. See below for areas affected and Alt Route Map to our club when this road is closed. Also below is note from lakeside Mayor from Lakeside Newsletter dated Sept 2014.

Please do not hesitate to contact me with any questions, concerns or comments.

Thank you, Chuck Hubbard  
[817-709-7169]

### MESSAGE FROM MAYOR PATRICK JACOB

**Rebuilding Silver Creek Road.** There was a meeting in July attended by area residents and J. D. Johnson your County Commissioner & Dennis Shingleton District 7 Fort Worth City Councilman. There were representatives from Fort Worth Transportation and Public Works and TxDot. Two bridges will be rebuilt in the process. 1st will be Silver Creek bridge. Beginning October 2014 the road will be closed to thru access for 6 months as the bridge is demolished and rebuilt. Starting October 2015, Live Oak bridge will be rebuilt, again closing thru access for 6 months. During the 18 month time frame, Silver Creek Road will be rebuilt. During the time the road work is underway, traffic will be able to drive on the road. The City of Fort Worth is going to widen the road within the limits of their Right of Way. They will not be making improvements to the county portion of the road. A light at the intersection of 1886 and Silver Creek is not planned.

As always, check the Town's website for the latest information <http://www.lakesidetexas.us>

## 1<sup>st</sup> Annual Cowtown Toys for Tots Toy Drive Shoot

We will be hosting a 20 target 3D shoot on December 7<sup>th</sup>, 2014, shooting starts @ 8am, ends @ 2pm.

Shoot Fees – (1) new unwrapped toy or \$10 per shooter to be spent on toys to donate to the Toys for Tots organization for them to distribute to area kids in need.

We will also have a toy collection box at the range beginning on Nov 1<sup>st</sup> for those whom wish to donate early, or often. I will be collecting them and storing them until our event so we can donate them all at the same time.

We will also be having a potluck so if you want to bring anything, please do so.

# UPDATED MAP FOR FIELD AND 3D RANGES

Please see the attached updated map of the Field and 3D archery ranges. We have set 14 targets along the field range course so that we do not have any issues with two conflicting ranges and possible unsafe situations. This way you can walk thru the field/3D course and shoot along the way. Once the Field Range is completed, there will be target faces up so you can shoot both along the way, or one or the other, shooters choice. We do ask that you only shoot an arrow or two at each 3D target and then move to the next target. This will help prolong the life of the targets as well as keep people moving along the course in case anyone is coming in behind you.

## THINGS TO COME FOR COWTOWN IN 2015

As we close out 2014, I'd first like to mention that we do so closing out the best year for Cowtown Bowmen Archery Club that I have ever seen. We will end the year with over 230 members, with a majority of those being new members to our club. We are winding down the construction of our new Field Archery range, which will allow us to begin to host Field Archery shots at our facility as well. We have ratified a discretionary budget for 2015 and a shoot schedule for the coming year as well. But before I look to far forward, I wanted to take a moment to thank each and every one of you. Without the awesome members and dedicated board members and directors, none of this would be possible. You all should be proud of the club we have, and the growth each of us helps it attain each year. Thank you,

First news about next year, all Club Level shoots will be the two day format we seen last year. Saturday shoot will begin at 10am, cards in by 5pm, Sunday start at 8am and cards in a noon with awards to follow. We will be awarding medallions as we did last year as well as having a door prize drawing at each awards presentation for club level shoots.

Second, We have (2) Range Officers positions available, and really need volunteers to step up to fill them as this allows the board and directors to more evenly spread all of the work around and nobody gets burned out trying to carry too much of a load. Keep in mind, if you volunteer, you will get your next year's membership for free, but will be expected to help set up and take down the ranges for the shoots. Please let me or another board member know if you may be interested in joining the governing body of the club. WE NEED YOU.  
😊

Lastly, we will be moving to a combo lock for the front gate in 2015. This will create a nice cost savings for the club but we need everyone to be diligent about not sharing the gate code with non-members. We also encourage all members to keep their membership card with them and even ask to see other members' cards when meeting new people at the range. This not only helps us self-police the facility, but also allows for all of our members to start dialog and meet one another and build club comradery.

Thank you,  
Chuck Hubbard – Cowtown Bowmen President

## **COWTOWN BOWMEN CLUB Q & A**

Email Questions to [cowntowncowpatty@live.com](mailto:cowntowncowpatty@live.com)

This is a new section of our newsletter that we will use to answer frequent questions regarding the club, meeting, funding for projects, volunteer opportunities, and range and facility rules. Please email all questions that you would like published to the above newsletter email account and we will do our best to get them in our next monthly newsletter.
