## **MEMBERSHIP DRIVE SHOOT – JAN.. 18<sup>th</sup>, 2015**

We will be hosting our membership drive shoot on Jan 18<sup>th</sup>, 8am start, all shooters in by 2pm. This will be a fun shoot, 20 3D targets set along the Field Archery course that is in the final stages of construction. Set up work party will be Jan 17<sup>th</sup> starting at 7am. If you pay for your membership on or before this shoot, you shoot for free.

**ALSO NOTE, THIS IS THE SHOOT WE WILL BE CHANGING THE LOCK TO THE FRONT GATE, SO IF YOUR 2014 MEMBERSHIP KEY WILL NOT WORK AFTER THIS DATE.**

## **COMBINATION LOCK AT FRONT GATE FOR 2015**

This year, the board has decided to opt for a combination lock for the gate at the range. This change will have many benefits, including reduction in cost to the club, ease of access for trash/portajohn services, etc.

We do need to ask all members to make sure that the combination to the range is kept only to you and not shared. The gate lock combo will be noted on the back of your membership card, which is another reason all members should have their card on them when at the range. We are also hoping that our members will help self-police our facility, as we all have in the past. If you see someone out there you have not seen before, please introduce yourself, say hello, and even ask to see each other's member cards. It is important we all take a role in ensuring that our facility is only being used by our members.

We will be monitoring this to make sure we do not have any issues and are hoping the transition is as beneficial as we think it can be for the club.

**Dec. 7<sup>th</sup>, 2014**

We had a very nice turnout, for so late in the year, and some colder weather, and a little misty rain. So many thanks to those that came out, shot with us, and donated for such a wonderful cause. Also much thanks to our Marine who came out and braved the weather with us. As you can see this was a great time at Cowtown and we hope to do it again.

## **GREAT THINGS TO COME FOR COWTOWN IN 2015**

It is with great excitement we head into a new year for Cowtown Bowmen Archery Club. We had a record year last year and hope to continue to build on that this in 2015. Some things to keep an eye out for this year:

- Completion of the Field Range and possibly a TFAA shoot or two
- New natural wood slab benches in the woods, reclaimed from downed trees at our facility, project proposed and led by Bob Combest.
- New sign at corner of Watercress and Silver Creek rd, directing archers to our club.
- Completion of bridge construction on Silver Creek Rd.
- DFW Shooter and Club of the year program. We are working with the other area clubs to set up a circuit where shooters can compete at a specified club shoot at each of our clubs, with awards going to the top shooter in each class and the club who win the most points, awards by how each member places and how many shooters we have attend up to a certain number. More details to follow as we get everything finalized. We are hoping this sort of circuit will foster a healthy rivalry between our clubs and focus on the betterment of archery in the region as a whole.

With that, I want to again, thank each and every one of our Board Members and Directors for all they do, and each and every member. Without y'all, none of this would be possible. Thank you.
